the abacus way

What Makes Us Different?

We conduct business The Abacus Way. The Abacus Way is both an attitude and a process where your best outcome is our destination. All efforts are focused with that end in mind. In order to achieve a goal, to arrive at a destination, there must be a process, with specific actionable steps.

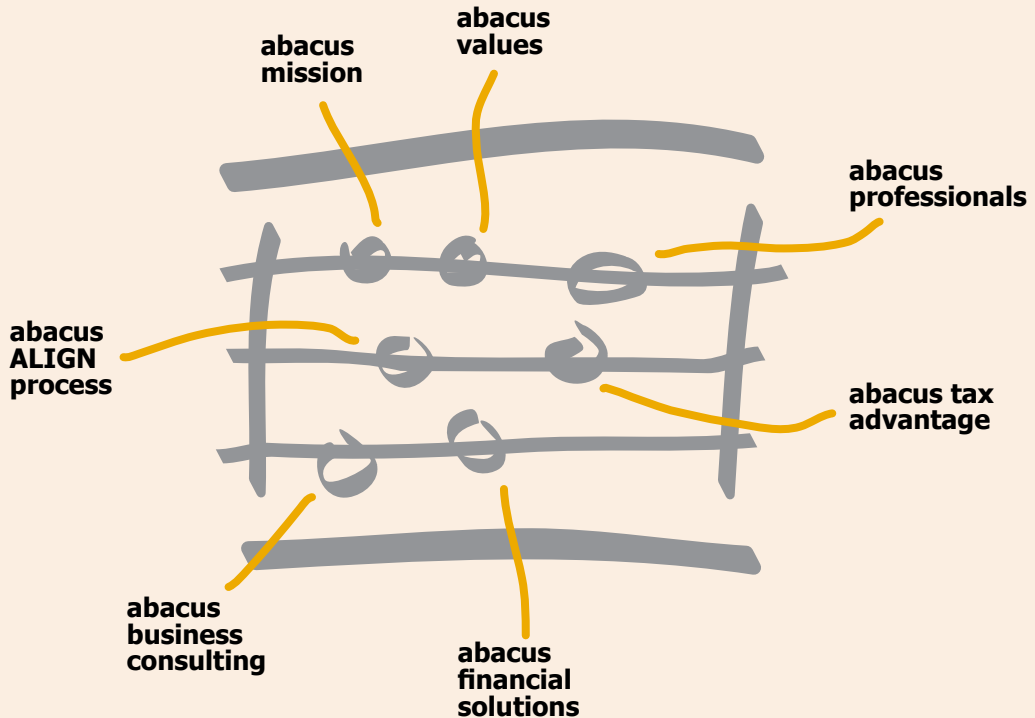

We continually look for opportunity while we monitor progress.
We let you know what's coming so you can plan for it.

Planning is invaluable; it will save you money and minimize frustration through better guidance and smarter decisions.

"Abacus CPAs brings value to our relationship by demonstrating sincere concern for our company's best interest and has earned our trust through better guidance and quality service."

– Dean Hoedl, CFO, Prime Inc.

Seven Steps of The Abacus Way

Our focus is you. Your business. Your success.

abacus mission

Our Mission

To create long-lasting relationships with our clients and employees by providing services through mutually profitable partnering alliances and by attracting and retaining the best employees who share our commitment to excellence and our dedication to professionalism. Above all, to glorify God in everything we do.

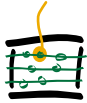

Running a corporation, a small business or even your own career can be overwhelming. There are so many decisions, with so many possible outcomes.

Now more than ever, life requires better guidance and smarter decisions.

"I feel they have saved me a lot of money and given good advice on running my company over the past 10 years. I would recommend them to anybody in need of a good CPA firm. One of the best decisions I made for Classic Beauty Supply Co. was when I switched to Abacus CPAs."

– David Henderson, President, Classic Beauty Supply Co.

Our Passion

Our advisors are not only highly skilled but filled with passion. Passion for the numbers. Passion for the business. Passion for you to win.

We're dedicated to helping clients achieve their business objectives. It's the driving force behind us.

Our clients benefit from the extensive experience of our team members, which includes over 100 years in international and regional public accounting firms, including Fortune 200 companies.

We stay abreast of the complex regulations and issues governing numerous industries, and invest in continuing education by attending training seminars, as well as internal training programs. This is one of the reasons we're able to attract and retain the very best in the field, all across the nation.

Helping clients with better guidance and smarter decisions.

abacus ALIGN process

Effective Communication

Our team has developed the **ALIGN** process to ensure every measure is taken, every step complete.

We schedule regular alignment sessions with clients where we note any changes and suggest any adjustments.

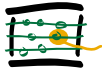

We aren't satisfied talking once a year, because once a year will never give you the best outcome. This process is designed to give you better guidance so you can make smarter decisions.

“Working with Abacus CPAs for over a decade, we have come to depend on them as a key partner. They take time to understand our business and develop creative solutions to our financial needs.”

— Gorm Tuxen, President, Tuxen & Associates, Inc.

Business Health

We understand business. We know business financials are much more than tax returns. Your financial statement determines how banks, investors and others see your business. We can help you represent your business properly.

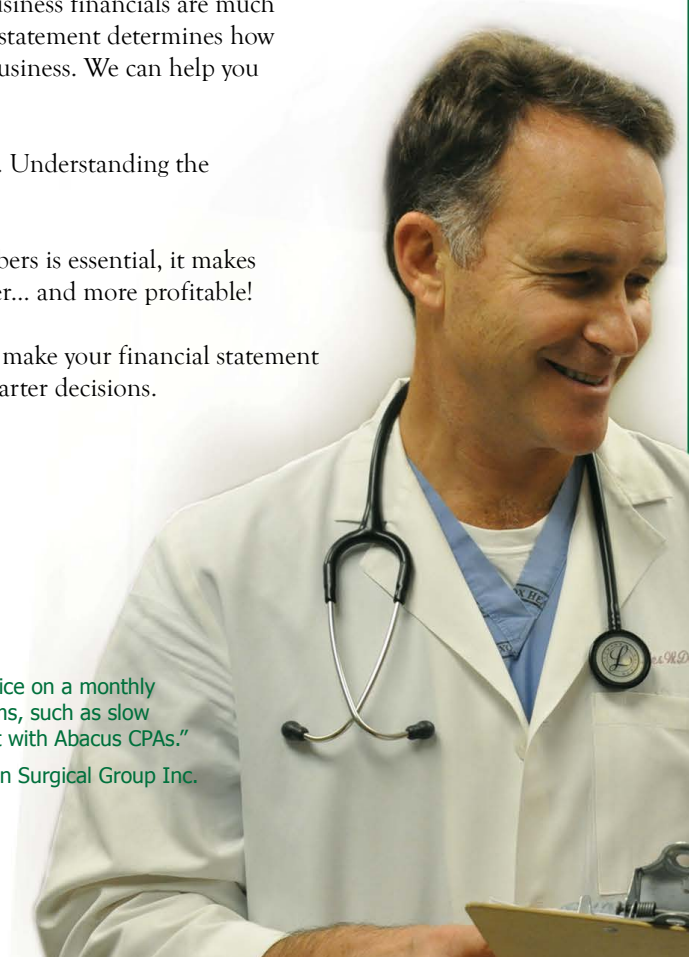

Numbers are the language of business. Understanding the numbers is what makes business run.

A good system for knowing your numbers is essential, it makes managing your business so much easier... and more profitable!

Let us help you with your system, and make your financial statement healthier with better guidance and smarter decisions.

"Our company uses the Abacus CPAs accounting service on a monthly basis. The past challenges with other accounting firms, such as slow responsiveness or lack of follow-up, are non-existent with Abacus CPAs."

– Richard Stone, Administrator, Crighton, Olive, Dunn Surgical Group Inc.
